Race Command Heat Response Memo

Metro City Marathon 2026 service revision

Issued: 2026-04-04 20:05
From: Race Command Center
To: medical ops, volunteer ops, media desk, traffic liaison

Weather Trigger

The 18:30 forecast from the Metro City meteorological desk projected a race-start WBGT of 29.1. Under the emergency plan heat trigger, the command center approved the Level-1 hot-weather adjustment package.

Confirmed Adjustments

Start time is advanced from 7:30 AM to 7:00 AM.

Opening fireworks are canceled and removed from the show rundown.

All 14 hydration stations are now confirmed as staffed and stocked after the late vendor reconciliation.

Medical deployment remains at 18 points, and 3 cooling buses will be staged at KM 14, KM 27, and Harbor Park.

Editorial Handling

Any advisory copy still showing 7:30 AM or fireworks must be replaced before publication. Do not restate earlier poster figures once this memo has been issued.
